OBJECTIVES AND ACTIVITIES OF THE ORGANIZATION

Istinye University is a non-profit, state-recognized foundation university founded in 2015 by the 21st Century Anatolian Foundation as the continuation of a 25-year knowledge and experience of the MLP Care Group, leading health group in Turkey.

Istinye University has 9 faculties, (Medicine, Pharmacy, Dentistry, Health Sciences, Humanities and Social Sciences, Economics and Administrative Sciences, Communication, Fine Arts, Design and Architecture, Engineering and Natural Sciences) 2 Vocational Schools (Vocational School, Vocational School of Health Services) and 1 Institute (including programs for Social, Science and Health).

In the university, over 500 academic and administrative staff are employed and approximately 15.000 students are actively getting education.
